

Year 4 - Closure Work - Week 1

Daily expectations:

1 hour of Maths whizz- tutor mode + 10 minutes of times tables practice - www.timestables.co.uk
45 minutes of IXL for writing
30 minutes of reading + summary
45 minutes of non-core chosen from the list

Reading and Writing (45 minutes each)

- Read daily and write something you have learned about the characters.
- When you finish each book, write a book review.
- Write a daily diary- think about the skills you have learnt this term.
- Watch newsround and create a story based on one of the news article

https://www.bbc.co.uk/newsround/news/watch_newsround

- Write a story with you as the main character doing what you want to be when you are older.

Non-core

History

- We have explored the English Civil War. The war was between Royalists and Parliamentarians. Create a poster about the 2 sides informing people about what they believed and what they did.

https://kids.kiddle.co/English_Civil_War

Science

- Design a minibeast hotel- imagine having to use only natural materials, create a place that bugs would want to visit (leaves, soil, stones to hide under).
- Draw and label a diagram that shows the different features/materials you have chosen to include.

- Write an evaluation of whether or not it was successful at attracting bugs. Keep a diary or take photographs to show which minibeasts have visited.

Geography

- Create a leaflet about different coastal landforms. In the leaflet you can include drawings and encourage people to visit a coastal town.

<https://kids.kiddle.co/Landform>

Art

- Using images from magazines, the internet and your own drawings, create a poster/collage that reflects modern life (movie stars, celebrities, popular food).
